

### Final Instructions:

- Food/drinks are allowed only in the International Restaurant area. This also applies to taste samples. You are still free to sell unopened or wrapped bottles/food from your National Stands.
- The whole area of the Bazaar is Non Smoking. Ashtrays are provided outside the building in front of the main entrances only.
- Nations are allocated a number of tables. Your allotted tables will be placed in your assigned space. You are responsible for assembling and dismantling the tables. Make sure that your volunteers bring an adjustable wrench or a socket wrench size: 13 and 17 to assemble tables.
- On Sunday, tables and chairs must be dismantled, put in the designated place, and your area cleaned
- The NATO Building is expected to be handed back to the NATO authorities in exactly the same state as we found it. Therefore, each Nation is asked to fold boxes and dispose of their rubbish/waste in the designated containers. We recommend that you bring, if possible, a vacuum cleaner and a broom for cleaning up your area. (A few of these will be provided, but to avoid waiting, it is better to bring your own).
- The NCB Board will have an information desk in front of the Luns theatre which will assist volunteers and the general public as well.
- No food, drinks or unaccompanied children will be allowed in the Luns theatre where the Tombola will take place.
