FUNDING APPLICATION AND GUIDELINES 2011

NATO CHARITY BAZAAR

The NATO Charity Bazaar ASBL has been holding its yearly charity event since 1968. Though the Organization raises funds throughout the year, the Bazaar is the social event of the year within NATO's international community. Participants in the annual Bazaar are the Members of the Alliance as well as the Partner-for-Peace nations. In 2010, 34 nations were represented.

CHARITY SELECTION PROCESS

Two categories of projects are funded:

- Belgian and International Charities: (50%/50%)
- Emergency requests: These donations are for exceptional or extremely urgent cases. The requested donation should not exceed the amount of 2.000 €. The donations are made throughout the year.

Factors taken into account when selecting charities for donation:

- The request should be for a specific project.
- The charity should be a non-profit organization officially registered (ASBL or VZW if located in Belgium) for at least one year.
- If benefiting organizations receive funds or authorization for funding for a project from the proceeds of a specific Bazaar, two complete calendar years must pass from the date of that Bazaar, before the same organization may reapply to the NCB (for example, an organization that has benefited from funds raised at the 2010 Bazaar can next apply in 2013).
- Application forms must be complete. All questions and requests for explanation should be addressed. If the question is not applicable to your organization, then write "Not Applicable."
- To be considered a Belgian charity, the organization must exist in Belgium.
- We are most interested in funding projects that are:
 - Small specific projects – preferably ones that can be completed with the set amount within a year.
 - Projects that cover the widest spectrum of the community.
 - Projects which, when completed should have a long term impact and be of benefit to as many people as possible.
 - Projects benefiting NATO countries, NATO PfP countries, and countries where NATO is currently engaged for example in Afghanistan – but without excluding projects from other geographic locations.
- Staff salaries and administration costs as a general rule are not supported.
- The maximum amount donated is **10.000 euros**.

The NATO Charity Bazaar members vote on the final list of charities to be funded.

State Your Organization's Mission (2 sentences or less. Provide text **in English and French**. Application is considered incomplete if the information is not provided in both languages):

ENGLISH VERSION

Rátky Foundation strives to financially support the education of socially disadvantaged children, and provide them with the possibility to help the needy through volunteer charity work.

FRENCH VERSION

La fondation Rátky tâche d'offrir de l'aide financière pour l'éducation des élèves désavantagés du point de vue de leur condition sociale. En même temps, la fondation s'efforce de leur permettre de prêter aide à tous ceux qui en ont besoin par l'organisation du travail volontaire de bienfaisance.

Summarize the proposed project (4 sentences or less. Provide this text **in English and French**. Application is considered incomplete if the information is not provided in both languages).

ENGLISH VERSION

The aim of the project is to enable disadvantaged teenagers enrolled in volunteer charity work to reach the institutions where they help faster and more easily. Reaching the institutions (hospitals, hospices, homes) has been a problem for years. Not being able to afford to buy local bus or tram tickets, children walk long distances to get to the place where their help is needed. Through the purchase of bikes and locks this problem will be solved, and charity work will become more efficient.

FRENCH VERSION

L'objectif du projet est celui de permettre aux adolescents désavantagés d'arriver plus vite et plus facilement aux institutions où ils sont de service dans le cadre de leur travail de bienfaisance (des hôpitaux, des hospices, des asiles). Le transport des jeunes pose un problème depuis longtemps, car ils ne disposent pas de moyens financiers pour s'acheter des billets de tram ou d'autobus. Ils doivent marcher plusieurs kilomètres pour arriver à leur destination. L'acquisition de vélos et d'antivol est, sans doute, une solution qui rendra les activités de bienfaisance plus efficaces.
